EMPLOYMENT EXPERIENCE

Service Associate, November 2021 - Present

In-N-Out Burger, Cedar Park, TX

- Excelled in a high-volume environment, serving 200+ customers a day while maintaining operational consistency and delivering top-tier customer experiences
- Recognized for proactive problem-solving and leadership, resulting in cross-store assignments to assist with operations at multiple regional locations

Sales Associate, January 2024 - November 2024

The Athlete's Foot, Tuscaloosa, AL

- Delivered high-quality customer service while redesigning visual displays, contributing to a noticeable increase in foot traffic and sales
- Collaborated with a small sales team to implement strategic product placement and storage redesign, optimizing space and increasing sales performance
- Applied advanced product knowledge and personalized recommendations to drive sales and build repeat customer relationships

OTHER EXPERIENCE

Study Abroad Experience, January 2025 - May 2025

The American University of Rome, Rome, Italy

- Strengthened cross-cultural communication by engaging in a multilingual, international academic setting while studying abroad in Rome
- Collaborated with a 5-member international team on business case studies, contributing to strategy discussions and presenting final recommendations
- Adapted quickly to unfamiliar academic and cultural environments, building independence, flexibility, and real-time problem-solving under pressure

Group Leader, August 2023 - Present

Data Analytics Club, Tuscaloosa, AL

- Managed a 4-member analytics team to explore S&P 500 sector performance, producing dashboards used to highlight trends in high-growth industries
- Designed an interactive Tableau dashboard analyzing S&P 500 sector performance from 2013–2018 using Excel for data cleaning and return/volatility calculations
- Identified key growth trends across 8 major companies, including NFLX, AMZN, and MSFT

Club Member, August 2024 - Present

Association of Latino Professionals For America, Tuscaloosa, AL

- Completed 5+ hours of training in professional development and networking during workshops focused on leadership, career strategy, and data analytics within a business context
- Built a professional network through ALPFA networking events, building lasting connections and expanding exposure to real-world business careers

SKILLS
